

Invitation

Dear Madam, dear Sir, dear Arbitration Community,

We are delighted to invite you to join us for our cocktail reception on 10 April 2018 during this year's Paris Arbitration Week.

Take the opportunity to discuss le dernier cri in Arbitration and meet CMS experts from various European countries one-to-one!

We are honoured to welcome as our keynote speaker Daniel Cohen, Professor at the University Paris II (Panthéon-Assas), President of the Arbitration Academy, Independent Arbitrator.

International Arbitration Today: A Positive Balance

Arbitration has played an important role in world business relations by enabling common rules and peaceful dispute resolution. Amid criticism there are a lot of good reasons why arbitration will continue to support the growth of international trade in times of new tendencies toward protectionism.

We expect a lively discussion and are looking forward to seeing you!
